

# Fund Any Film Campaign Fees

## CAMPAIGN - END DATE

Typically campaigns have a time frame of 30 to 90 days. When creating your campaign, keep this in mind when choosing a date to end the campaign.

Filing taxes for the funds your campaign has raised?

TAXES

## FEE SCHEDULE 01

### Standard Platform Fees

Fund Any Film charges a platform fee based on the total amount of funds being donated to your campaign. Fees will be calculated and deducted from the funds you raise if you meet your Campaign Funding Goal considering you happen not to reach your Campaign Funding Goal, rest easy you will still receive your funds as long as you raise the minimum 30% of your goal amount. For the success of your campaign we recommend you always set an attainable goal. Since we use a third party payment processor look forward for the processing/transaction fee per donation.

### Platform Fees By Production Type Tiers For A Brand New Campaign Never Published On Other Sites

- 20k or less - Micro Budget or Project - 4.5%
- 20K-35k - Student Film Budget or Project - 4.75%
- 35k-50k - Short Budget or Project - 5%
- 50k-250k - Ultra Low Budget or Project - 5.5%
- 250k-700k - Moderate Low Budget or Project - 5.75%
- 700k - 2.5 Mill - Low Budget or Project - 6.5%
- 2.5 Mill and up - Basic Theatrical or Project - 6.75%

If the campaign you create successfully meets its Campaign Funding Goal, your total amount will be adjusted using the platform fee based on the specific category you chose when you originally set up your campaign. Additional fees will be applied such as transaction fees + transfer fees. You must meet a minimum 30% of your goal amount in order for you to receive your funds.

## FEE SCHEDULE 02

### Platform Fees if you did not originally run your campaign on the Fund Any Film site

If your campaign is not unique to Fund Any Film and is a campaign originally created on another fundraising source, the campaign fees will be different than the standard fees. All fees will be calculated and deducted from the funds you raise if you meet your Campaign Funding Goal! If you happen not to reach your Campaign Funding Goal, don't panic you will still receive your funds as long as you raise the minimum 30% of your goal amount. For the success of your campaign we recommend you always set an attainable goal. Since we use a third party payment processor there will also be a charge for the processing/transaction fee per donation.

### Platform Fees By Production Type Tiers If You Did Not Originally Run Your Campaign On Fund Any Film

- 20k or less - Micro Budget or Project - 9.5%
- 20K-35k - Student Film Budget or Project - 9.75%
- 35k-50k - Short Budget or Project - 10%
- 50k-250k - Ultra Low Budget or Project - 10.5%
- 250k-700k - Moderate Low Budget or Project - 11%
- 700k - 2.5 Mill - Low Budget or Project - 11.5%
- 2.5 Mill and up - Basic Theatrical or Project - 13%

If the campaign you create successfully meets its Campaign Funding Goal, your total will be adjusted using the platform fee based on the specific category you chose when you originally set up your campaign. This original initial set up is non negotiable. Additional fees will be applied such as transaction fees + transfer fees. You must meet a minimum 30% of your goal amount in order for you to receive your funds.
